This matter comes before the Public Service Commission of South Carolina (the Commission) on the October 20, 1992 letter of Nancy Vaughn Coombs, Staff Attorney at the South Carolina Department of Consumer Affairs (the Consumer Advocate). Attorney Coombs requests, on behalf of the Consumer Advocate, permission to withdraw the Consumer Advocate's Petition to establish this Docket.

On August 6, 1992, the Consumer Advocate filed a Petition to establish a separate investigation concerning gas, propane, and other recent acquisitions, or in the alternative, a Petition to establish a new Docket concerning these matters and Petition to Intervene. On August 12, 1992, this Commission granted that Petition in Order No. 92-660.

The October 20, 1992 letter states that since the Consumer Advocate has been informed by South Carolina Electric & Gas Company that it plans to file an application for a rate increase in the

near future, the Consumer Advocate believes that his concerns can be addressed in that case. The Consumer Advocate therefore respectfully requests permission to withdraw its Petition in this Docket.

The Commission has considered the request of the Consumer Advocate, and believes that it should be granted, and this Docket closed.

IT IS THEREFORE ORDERED THAT:

1. Permission is hereby granted for the Consumer Advocate to withdraw his Petition filed in this Docket.
2. That this Docket is hereby closed.
3. That this Order shall remain in full force and effect until further Order of the Commission.
